

Pet Policy

At the Piccadilly Inn Shaw, service animals and well-behaved pets are always welcome. Your four-legged companions are subject to a **\$15.00 per day pet fee**, with the exception of service animals who are always welcome free of charge. In addition, your credit card will be authorized for **\$100.00** as a security deposit for any damage that may occur. To ensure a great trip with your furry friend, please adhere to the following guidelines:

- Pets are limited to dogs. Unfortunately, feline friends are not accepted due to allergy concerns. Individual pets must weigh under 30 lbs. and must be limited to only 2 pets per room.
- Pet friendly guest rooms are limited to the Winged Foot building only and subject to availability. Please contact the Piccadilly Inn Shaw directly to confirm availability for our pet friendly rooms.
- Animals that pose a health or safety risk may not remain on property, and include those that, in our managers' discretion, are too numerous for any one room, cause damage to our property or that of other guests, are too disruptive, are not properly attended, or demonstrate undue aggression.
- In the event that there are noise complaints from a guest in neighboring rooms, you will be given **ONE** warning to silence your pet. If we receive further complaints after your warning, you may be asked to vacate the property without a refund and may be charged for any compensation that may be given to a disturbed guest.
- Animals that assist the disabled, known as "Service Animals," are always welcome. Like pets, however, any Service Animal that poses a health or safety risk may not remain onsite.
- All pets and Service Animals must be declared at check-in. This is very important because it provides our staff with key information about the occupants of each room. If you fail to declare pets or Service Animals at check-in, you may be asked to vacate the property without a refund and charged an additional **\$150.00 cleaning fee**.
- In consideration of all guests, pets must be attended to and under control **AT ALL TIMES**. Pets may **NOT** be left alone in a room or automobile.
- Due to safety concerns for our employees and your pet, we will not service a room currently occupied by your pet, attended or otherwise.
- Pets must be on a leash or securely carried outside of guest rooms and under control at all times. Pets are only allowed in certain designated areas.
- Please be considerate of other guests when walking pets on the property. Local laws require you to clean up after your pet.
- If your pet or Service Animal does not comply with any of the above guidelines, you may be asked to vacate the property without a refund.

By bringing your pet into our property, you are agreeing to the Hotel's Pet Policies and to indemnify the Hotel for injuries, damage or loss of revenue to the Hotel or a 3rd Party caused by your pet's behavior. As the owner of your pet, you agree to be responsible for any liability arising from your pet's behavior.
